

Year 4 Newsletter

September 2022

Welcome to Year 4! We hope that you have all had a lovely summer. We are pleased that the Year 4 children have all come back ready and very eager to learn. They are especially excited to start learning instruments.

Attendance / Punctuality

As it is such an important time for Year 4, it is vital that children are in school (on time) every day to maximise learning. As the doors open at 8.50am, children choose their own greeting from the teacher and enter the classroom for morning anthem, which can include anything from the conga to the limbo!

Helping at home:

Please listen to your child read their school book **every night**, write a small comment and sign their diary to show that they have read. It is important to question your child's understanding of what they have read. Pupils who read regularly at home tend to make the most significant progress.

Each Monday, children will be given spellings to practise over the week for a test on Fridays.

In addition, it is important for Year 4 to practice their times tables as they will be completing a Multiplication test this year.
