Code Investigator

When and Do Instructions

Creating Worlds

Deconstructing Code

Race Track

Racing Game

# Year 6

## Cycle 3 Newsletter

### PE Timetable

	PE Activity	Uniform
<b>Thursday</b>	Football	White t-shirt, black shorts, pumps or trainers
<b>Friday</b>	Dance	White t-shirt, black shorts, pumps or trainers

### Home Learning

**Spelling** homework will be sent home on a Friday and will be tested the following Friday. We do not require this to be returned to school.

Year 6 will be working hard this year on **times tables**, please support your child by working on the ones they find difficult.

**Reading books** will be changed when needed for free readers.

### Teacher's Message

We have a very exciting but challenging cycle ahead of us. At the beginning of May, Year 6 will be completing their End of Key Stage 2 Tests (also known as SATs). The children have been working hard towards these and will continue to through this new cycle. We are focusing hard on our Arithmetic skills in Maths as well as being able to read quickly and efficiently for our Reading Assessment.

After the February half-term, children will be invited to a booster class on a Thursday morning. This will be invite only and will work on a different skill each week for that last push towards their assessments. Children will be informed on the Friday before if they have been invited or not. More information about this to follow.

As always, we are here if you have any questions or concerns around anything.

Miss Stephens and Mr. Evans ☺

### Important Diary Dates

Any upcoming dates for Year 6 will be sent via a text.
