

# Year 2 Curriculum Overview- Cycle 3

## Maths

We will be learning about:

- Addition and subtraction
- Multiplication and Division
- 2d and 3d shapes
- Fractions

## English

We will be reading the stories *Beegu* by Benji Davies and *How to find Gold* by Viviane Schwarz.

Through our work with these books there will be lots of exciting opportunities for writing. We will be writing poems, character descriptions, stories, instructions and information texts.

## DT

Our topic will be Dips and Dippers. We will be enjoying designing, making and tasting some of these.

## PE

We will be developing our skills and coordination through different circuits and shuttle runs.

## Science

Our topic in Science is The Environment.

We will be learning about climate change and how this affects the environment. We will also look at Recycling and endangered animals in different environments.

## Geography

Our topic is Magical Maps. We will be using and devising simple maps. We will use atlases and globes.

## RE

In R.E we will be learning about sacred books in different religions.

We will look at Christianity, Islam and Judaism.

## Music

We are learning about Pitch and Rhythm in music this half term.

## PSHE

We will be learning about communication in PSHE. How to be a good communicator and listener.

## Computing

In Computing, we are learning about Preparing for Turtle Logo / Programming Turtle Logo and Scratch.

## SATS

In May, all the children in Year 2 will take their SATS in Maths, Reading, Grammar and Spelling. The children know these as Secrets Agent Tests. We have been working very hard towards these in class and you can help support at home by helping your child learn their spellings each week, times tables [ 10x 2 x 5 x 3 x the children have logins for TT rockstars to help this] and by reading with your child daily. Arithmetic questions are sent home each Monday and reading books are changed every Friday. This will all really help your child. Thank you for your support.
