School Principles for PE and Sport Premium Grant Spend

We provide a broad and balanced programme of physical education and we believe that every child should have activities designed to be enjoyable, purposeful and regular. Through providing positive experiences, a lifelong interest in physical activity is encouraged. The range of physical activities is wide and includes athletics, dance, games, gymnastics, swimming and outdoor education.

Sport Premium funding is allocated and targeted based on needs analysis which identifies priority classes, groups or individuals who will benefit from intervention in PE and Sport. Limited funding and resources means that not all children will be in receipt of sport premium interventions at one time.

Key Priorities: (Objectives of the funding)

1. Health and Well-Being
2. Raising the profile of PE and sport for whole school improvement
3. Professional Development in PE
4. Increasing the range of sports and activities on offer
5. Competitive Sport

RAG rated progress:

- **Red** - needs addressing
- **Amber** - addressing but further improvement needed
- **Green** - achieving consistently

2020 – 2021 (most may be amber or red because of children not being in school, due to Covid-19).

Key Priority 1 Health and Well-Being

To improve pupils' health, wellbeing and educational outcomes through engagement in regular physical activity

Ofsted Factor: a greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health

Actions and strategies	Evidence	Cost	Outcomes, Impact and sustainability	Progress (RAG)					
				Baseline 16-17	17-18	18-19	19-20	20-21	21-22
