Pupils can identify characteristics that will help them achieve their goals next year.

Digital safety

Mindset matters

Music

Rhythm

Tonality

Computing – Scratch 3.0 Developing Games

Game design

Target audience

Year 5

Cycle 3 Newsletter

PE Timetable

	PE Activity	Uniform
Tuesday	Football/ Dodgeball Cricket	White t-shirt, black shorts, pumps or trainers
Thursday	Swimming	Swimming costume / shorts Towel and cap

Teacher's Message

What a busy year we have had so far and as we enter cycle 3 it won't be slowing down! As the children near the end of the year, it is imperative that they are at school on time every day ready to learn. We are focusing on our end of year goals and we have already begun working towards the KS2 SATs ready for next year.

Lots of parents have asked how they can best support their children at home and the most valuable support you can give is to ensure your child knows all of their timetable facts and that they read every night at home for a minimum of 20 minutes.

Mr Shepard will be teaching in Kangaroos on a Monday and he is very excited to work with Kangaroos!

If you have any questions please do come and see me.

Mrs. Thompson

Home Learning

Spelling homework will be sent home on a Monday and tested on a Friday. We do not require this to be returned to school.

Year 5 will be working hard this year on **times tables**, please support your child by working on the ones they find difficult and accessing Times Table Rockstars every week for a minimum of 20 minutes. Please see me if you need a log in.

Reading books will be changed when needed provided the reading diary has been signed. It is expected that your child is reading aloud each night at home.

Important Diary Dates

Any upcoming dates for Year 5 will be sent via a text.
