

Mr Shepherd Zebra Class

Home-Learning activities

Look at the ingredients of a loaf of bread or be

adventurous and bake a loaf together!

Ask children to split up numbers (1423) into thousands, hundreds, tens and ones. Recite a times table on the way to school, do the 2s,3s,4s,5s or 10s.

Practice joined handwriting techniques, remember to hold the pencil at the bottom between the thumb and fore-finger with the second finger resting underneath!

Practice saying hello, goodbye and good-night in French!

Bonjour (or Salut) , Au revoir, Bonne nuit or Bonsoir!

Take pictures together of any animals you see in the park. Are they mammals ,birds or insects? Have a discussion about what the differences are. What is a reptile? How do fish breathe?

What is a capital city? What is a continent?

What is the capital of Wales/Scotland/England/Northern Ireland?
