

Learning in EYFS: Spoken Language

This document demonstrates which statements from the Development Matters are prerequisite skills for Spoken Language within the national curriculum.

The most relevant statements, from the EYFS Development Matters, for Spoken Language are taken from the following areas of learning:

- Communication and Language
- Personal, Social and Emotional Development
- Understanding the World
- Expressive Arts and Design

In early years at Brentnall, we recognise that children need to be exposed to a wide range of higher-level vocabulary. Therefore, throughout their time in early years, we ensure children have had some specific teaching and learning experiences, through rich vocabulary, that are linked with foundation subjects. This forms only part of a wide range of vocabulary, topics and experiences, following the children's interests. The learning across all the seven areas in early years supports the children's holistic development, ready for the transition to the KS1 curriculum.

These statements covered in Early Years also link with Power of Reading and WellComm.
